

The 8th International Conference on Information and Communication Technology for Embedded Systems

Bangsaen Heritage Hotel, Chonburi Beach, Thailand

May 7-9, 2017

IMPORTANT DATES

- **20 Dec. 2016** Paper Submission Deadline
- **7 Feb. 2017** Author Notification
- **21 Feb. 2017** Camera Ready and Early Registration Deadline

ORGANIZING COMMITTEE

Honorary Chairs:

- Chongrak Wachrinrat, President of Kasetsart University
- Somkit Lertpaithoon, Rector of Thammasat University
- Sarun Sumriddetchkajorn, Director of NECTEC
- Akinori Nishihara, Tokyo Institute of Technology
- Hiroaki Kunieda, Tokyo Institute of Technology

General Chairs (Conference Chairs):

- Omjai Saimek, Deputy Director, NSTDA
- Manabu Okumura, Tokyo Institute of Technology
- Peerayuth Charnsethikul, Kasetsart University
- Somnuk Tangtermsirikul, SIIT, Thammasat University

Technical Program Chairs:

- Pisut Raphisak, Kasetsart University
- Siriroj Sirisukprasert, Kasetsart University
- Wirosak Santipach, Kasetsart University
- Nobuhiko Sugino, Tokyo Institute of Technology
- Tsuyoshi Isshiki, Tokyo Institute of Technology
- Thanaruk Teeramunkong, SIIT, Thammasat University
- Teera Phatrapornnant, NECTEC
- Kamol Kaemarungsi, NECTEC

Financial Chairs:

- Chowarit Mitsantisuk, Kasetsart University
- Gun Srijuntongsiri, SIIT, Thammasat University

International Advisory:

- Akinori Nishihara, Tokyo Institute of Technology
- Albert Treytl, Danube University Krems
- Ikuhisa Mitsugami, Osaka University
- Yong-Tae Kim, Hankyong National University
- Naveen Arulsevan, Altiostar Networks, India
- Tsang-Yi Wang, National Sun Yat-sen University

Local Arrangement Chairs:

- Teerasit Kasetkasem, Kasetsart University

Publicity Chairs:

- Usana Tuntoolavest, Kasetsart University
- Watee Kongprawechnon, SIIT, Thammasat University
- Kanokvate Tungpimolrut, NECTEC
- Hiroki Nakahara, Tokyo Institute of Technology

Publication Chairs:

- Denchai Worasawate, Kasetsart University
- Teerayut Horanont, SIIT, Thammasat University

General Secretary:

- Miti Ruchanurucks, Kasetsart University

Supporting Organization:

- ECTI Association, Thailand
- IEEE Thailand Section

ORGANIZED BY

- Department of Electrical Engineering, Kasetsart University (<http://www.ee.ku.ac.th>)
- Sirindhorn International Institute of Technology, Thammasat University (<http://www.siit.tu.ac.th>)
- National Electronics and Computer Technology Center, NSTDA (<http://www.nectec.or.th>)
- Tokyo Institute of Technology (<http://www.titech.ac.jp>)

ABOUT THE CONFERENCE

The 8th annual International Conference on Information and Communication Technology for Embedded Systems (IC-ICTES 2017) is to provide an international forum for researchers and industry practitioners. Our goals are to share new ideas, original research results and practical development experiences from all **information and communication, signal processing, and embedded system-related areas** including but not limited to embedded system design, development of new HW/SW-related theories and techniques in embedded systems. Accepted and presented papers **will be submitted for inclusion in IEEE Xplore®/IEEE Digital Library.**

AREAS OF INTEREST

☞ Communication systems and information technology

Communication theory, antenna and propagation, microwave theory and techniques, modulation, coding, networks, optical communications, wireless/mobile communications and technologies, smart grid technology, IT biomedical engineering, business and information systems, information security and forensics, information retrieval and data mining.

☞ Signal processing, image processing and sensors

Digital filters, speech processing and coding, video processing and coding, intelligent signal processing for communications and systems, image processing, hardware/software aspects of sensors, wireless sensor networks.

☞ System architecture:

Multiprocessors, reconfigurable platforms, memory management support, communication, protocols, network-on-chip, real-time systems, embedded microcontrollers.

☞ Embedded hardware support and hardware/software co-design:

System-on-a-chip, DSPs, hardware specification, synthesis, modeling, simulation and analysis at all levels for low power, testable, reliable, verifiable systems, performance modeling, validation, security issues, real-time behavior and safety critical systems, methodologies, tests and debug strategies, specification and modeling, design representation, synthesis, partitioning and estimation.

☞ Embedded software:

Compilers, assemblers and cross assemblers, programming, memory management, object-oriented aspects, virtual machines, scheduling, concurrent software for SoCs, distributed/resource aware OS, OS and middleware support.

☞ Application-specific processors and devices:

Network processors, real-time processor, media and signal processors, application specific hardware accelerators, reconfigurable processors, low power embedded processors, bio/fluidic processors, Bluetooth, hand-held devices.

☞ Industrial practices and benchmark suites:

System design, processor design, software, tools, case studies, trends, emerging technologies, experience maintaining benchmark suites, representation, interchange format, tools, copyrights, maintenance, metrics.

☞ Emerging new topics and applications:

New challenges for next generation embedded computing systems, arising from new technologies (e.g., nanotechnology), new applications (e.g., IoT, pervasive or ubiquitous computing, embedded internet tools) and new principle (e.g., embedded engineering).

CONFERENCE PUBLICATION AND PAPER SUBMISSION

Proceedings will be published by TAIST Tokyo Tech Program, National Science and Technology Development Agency (NSTDA). The first page should include the paper title, the names and the complete mailing addresses of all authors, and the e-mail address of the corresponding author. Each paper should consist of up to 200-word abstract, up to 5 keywords. No page number should be printed. All the text, figures and reference must be between 4-6 double-column A4 pages with font size of 10 pts. Authors **MUST** use IEEE manuscript submission guidelines for their initial submissions. All papers must be submitted electronically in PDF format only, using the conference management tool. The submitted papers must not be published or under consideration to be published elsewhere.
